2. Send Packages - Send and receive packages across the city.

How we benefit your business - (RESTAURANT)

1. **We take only 10% commission from Restaurants**
2. **We generate organic traction for Restaurants, without paying for advertisements.**
3. **We provide fast and efficient delivery.**
4. **We provide other facilities like Send package, grocery delivery, meat delivery and more, which invariably increase users, meaning more business for you.**

Future Plans-

- 1. We create social profiles for Restaurants, to tell stories, show new Dishes or infrastructures.**
- 2. Menu Engineering**

Why believe in us?

- 1. We are based on Pollachi, we understand you more than other delivery platforms.**
- 2. We believe that Restaurants add huge value to society, but other delivery platforms gain recognition for their service, but the restaurant doesn't.**
